

WeWild¹ final event

The Future of Mountain Experience in the Alps – Towards a Sustainable Management of Nature and Mountain Sports

Wednesday, November 7th 2018

Alpine Museum, Munich/DE

ALPARC, the Alpine network of protected areas, is pleased to invite you to the [closing event of the WeWild project](#) ('We respect Alpine Wildlife'). The event aims at providing nature protection and mountain sports' stakeholders with the opportunity to exchange experiences and new ideas on the management of nature and mountain sports in the highly frequented areas of the Alpine region. Starting from the current situation, the objective is to think further and imagine potential courses of action.

You can already register for the event [at this link](#).

Target audiences

- Protected area managers and staff, networks of protected areas
- Alpine clubs and sports association(s), local stakeholders, area managers
- nature conservation organizations
- governmental services
- other interested parties

Languages

German and English (with translation)

¹ The project WeWild ('We respect Alpine wildlife') is funded by the Federal Agency for Nature Conservation (BfN, Germany) with funds from the Federal Ministry for the Environment, Nature Conservation and Nuclear Safety (BMU, Germany).
