**MOBILE STATION**

ALPARC has got also a MOBILE station of ViViAlp since March 2009.

This station is made for conferences or events, and more easy to transport on different places for a short time use (1 to 3 days).

For any question, contact  
[stephane.morel@alparc.org](mailto:stephane.morel@alparc.org)

**INTERNET** : The virtual visit is also available on the Internet, through Google Earth

The software Google Earth needs first to be installed on your computer:  
<http://earth.google.com>
